

The valentines day, Heart of Stone workshop at the California Center for Creative Renewal was a wonderful success. The class filled almost as soon as it was released. Thank you all for attending and making your way on this journey of the heart.

If you are interested in hosting a hearts of stone workshop at your venue or attending one at mine, please contact me at: [info@dgoth.net](mailto:info@dgoth.net)

See <http://www.artRETREAT.com> for more information on California Center for Creative Renewal

heart of stone  
6"x6"  
painting on stone

the heart writes  
a love story  
in laughter and tears  
the memories etched  
into its surface  
forever

**Hearts of Stone are now made on a limited edition basis. If you are interested in purchasing a heart of stone, please contact me.**
