

hearts of stone

in every heart
there is some pain
sometimes so much so
that one feels the need
to turn their heart
to stone
or else out of respect
and sorrow
it would surely cease to beat

but even if it were possible
to turn ones heart to stone
in that stone
would be painted
the wondrous and beautiful colors
of the love
that resides there still
hidden in the cracks and crevices
of their life

Heart of stone

8"x8" contemporary fresco mosaic stone
